600X1200MM TILES - Pattern 03

BENEFIT:

- ❖ Less weight of the pallet which gives easy handling by forklifts.
- ❖ Taking out of boxes from the pallets is easy.

POINTS TO BE CONSIDERED:

- ❖ The boxes in the pallets can be slide or shifted in any one side during transit. Particularly where the pallets are to be transported in trucks or where pallets handling is more by forklifts, there are more chances of sliding or moving or shifting of boxes in any one side.
